Adult Services at New Castle Public Library has a lot to offer this fall! We have new books and movies coming in every week and plenty of beach reads if you are not quite ready to give up the summer.

Please note that the library will be closed on September 12, 2024 as we prepare for the Grand Opening of the Elevator and Second Floor. We will re-open later in the day for the unveiling of the Colella Collection, Lawrence County's 175th Anniversary Exhibit Reception. The reception is scheduled for 5-7 PM in the Nicolaus Copernicus Room. This event will be hosted by Arts & Education at the Hoyt. This collection is on loan from Mike Colella!

Do you have old coins you are curious about? Bring your coins and questions to the Copernicus Room on September 26, 2024 at 6 PM for Mitch Olszak's presentation "American Coinage: Its Art, History, Technology, Economics, and Politics."

September is such an exciting month! We have lots going on as school starts again and the Youth Services Department is hard at work meeting with school districts to start new programs and collaborations. One focus will be on providing STEM resources to our youth patrons. We have wonderful kits available, with learning themes and activities covering all kinds of science and engineering topics. We will be happy to show you the kits and suggest additional reading materials to accompany them. The library supports literacy and learning, and getting an early start is key to positive future outcomes!

Please note that with all the excitement and anticipation of the re-opening of the second floor, the Youth Services Department will be closed on Friday, September 13, 2024 until the Grand Opening starting at 4 PM for kids.
